

ReTHInc Team

ReTHInc is a subset of the THInc initiative and is an internal team made up of younger professionals (seniors and managers) across all markets. The team collaborates on a weekly basis to strategize and create thought leadership to benefit the growth efforts of Cherry Bekaert clients. These thoughts and ideas are regularly shared with the THInc Leadership team, made up of partners, to help foster a culture of innovation across the firm.

The team includes the following individuals:
