

# Comprehensive Services for The Marine Industry

For over 25 years, Cherry Bekaert continues to be a trusted partner to many of the marine industry's most innovative companies.

Our holistic approach is uniquely tailored to the specific needs of the industry. We guide you through every step of the business life cycle, from making sense of state hiring and headquarter credits as you consider starting your business, to calculating research and development credits as you develop new products and processes, to providing sell-side due diligence to help you sell your company for top dollar.

*Conveniently located throughout the Southeast and Texas*
