An Assurance Partner in Cherry Bekaert's Austin practice, Don specializes in providing financial statement audits, financial reporting, and business advisory services to a diverse set of growing, middle-market clients.

Since 1985, Don has worked with privately-held corporations, including private equity and venture-backed companies, and start-up enterprises. He has extensive experience with private and public debt offerings, compliance mergers and acquisitions, restructurings, and single audits. His primary industry focus includes not-for-profit and governmental, real estate, and technology sectors.

Don's experience includes working at a Big Four accounting firm as well as holding a finance director role with the State of Texas and an analyst role with a Fortune 1000 energy company. Before joining Cherry Bekaert via acquisition, Don was the Managing Partner of Austin based accounting firm PMB Helin Donovan, LLP.
