

Digitally Transform Your Business with Microsoft 365 and Azure

The Digital Marketplace is Rapidly Evolving

Your business is seeking to better meet and anticipate customer needs, profitably grow revenues, and optimize performance, while ensuring that you successfully address privacy, security, and risk. Cherry Bekaert meets you “where you are” and guides you through the Transformation Journey, with a focus on achieving the desired business outcomes.

What to Expect During Our Microsoft 365 and Azure Assessment:

- ▶ Meeting to discuss your strategic vision and goals.
- ▶ Collect details regarding infrastructure and operations, applications, risk and security.
- ▶ Discuss Microsoft 365 and Azure cloud capabilities within context of your vision and goals.
 - ▶ Identify and prioritize potential initiatives to add value to your organization.
 - ▶ Prepare a roadmap and cost analysis with projected ROI.
 - ▶ Deliver and review deliverables with you and your leadership team.

Deliverables & Documentation:

- ▶ Digital Transformational Roadmap
- ▶ Cost and ROI analysis
- ▶ Prioritized list of initiatives for consideration

What's Next

We begin with a scoping call to gather information about the organization, including business goals and any current cloud strategy. The engagement can be performed on-site or remotely. Following the engagement, you will be presented with a Digital Transformation Assessment that reiterates your strategic vision and goals with recommended initiatives.
